## 2018 Taste of Portland

October 4, 2018 Castaway Portland

Good Food. Good Time. Great Cause.

Benefitting the OAR HOME Foundation to support affordable housing in Oregon

I am writing to request your support for the 11th annual Taste of Portland, a very special event that raises funds to support affordable housing in Oregon.

This year's event will be held on Thursday, October 4 at Castaway Portland, and we would love for you to be part of it! The evening is filled with gourmet food, premier beer and wines, a silent auction, and a great evening with friends and colleagues to support the mission of the OAR HOME Foundation.

Last year's Taste of Portland was a tremendous success, attracting 450 guests and raising nearly \$85,000 for affordable housing programs in Oregon!

We hope you will join us in supporting this event and the HOME Foundation by donating a **gift certificate, basket, weekend getaway, sporting event tickets, or service** for the Taste of Portland silent auction. Every dollar raised assists others to realize the dream of homeownership!

I've enclosed a silent auction donation form for your convenience. If you choose to participate, please complete the form and return it via mail, email, or fax by **September 20, 2018**. Contact information is listed below and you will receive a receipt for your tax records.

On behalf of Oregon families and the HOME Foundation Board of Directors, thank you for consideration of this request. If you have any questions or need additional information, please don't hesitate to contact me. With the help of individuals and companies such as yourself, we have made a difference in Oregon!

Warm Regards,

Jenny Pakula

### ABOUT THE HOME FOUNDATION

The OAR HOME Foundation provides financial resources to create, expand, and encourage home ownership opportunities for Oregonians at or below the local median income level. Our non-profit foundation also promotes awareness of affordable housing issues, the barriers to home ownership, and the resources needed to increase housing affordability. And, it provides REALTORS® and the public with an opportunity to give back to their communities. Through 2017, the HOME Foundation has awarded \$1.3 million in grants to affordable housing programs statewide.
