LEADING WITH DIVERSITY WORKSHOP DECEMBER 4, 2018

OAR DIVERSITY COMMITTEE

PRESENTS THE LEADING WITH DIVERSITY WORKSHOP:

How do we leverage the diversity of our membership to achieve our Association's purpose?

The Leading with Diversity Workshop, facilitated by Fred Underwood, NAR Director of Diversity, is designed for Association leaders and staff to determine where your association is on the path to diversity and inclusion and develop an action plan appropriate to your needs.

The workshop includes discussions on outreach and how to include those who will bring greater diversity to your association. The workshop will conclude with luncheon speaker PSU Professor Randy Blazak, inspiring the audience to be great leaders for diversity.
