Section 2. Professional Standards hearings and the organization and procedures incident thereto shall be governed by the Code of Ethics and Arbitration Manual of the National Association of REALTORS®, as from time to time amended, which by this reference is made a part of these Restated and Amended Bylaws, provided that upon review by the Association's legal counsel and approval of the Board of Directors, any provision thereof may be deleted or amended to comply with all applicable Oregon and local laws, rules and regulations or standards of practice and procedure.

Section 3. In instance where ethical violations and controversies are submitted to the Association pursuant to Sections 1 and 2 above, Grievance Committees and Hearing Panels will be appointed by the Association President, as needed, from members of Member Board/Association Grievance and Professional Standards Committees.

Section 4. If a REALTOR® Member (as defined in Article II, Section 4, of these Bylaws) resigns from the Board/Association or otherwise causes membership to terminate with an ethics complaint pending, that Board of Directors may condition the right of the resigning Member to reapply for membership upon the applicant’s certification that he/she will submit to the pending ethics proceeding and will abide by the decision of the hearing panel.

a) If a REALTOR® Member (as defined in Article II, Section 4, of these Bylaws) resigns or otherwise causes membership to terminate, the duty to submit to arbitration continues in effect even after membership lapses or is terminated, provided that the dispute arose while the former member was a REALTOR®.

Section 6. Continuing Member Code of Ethics Training. Each REALTOR® member of the Association shall be required to complete bi-annual ethics training of not less than two hours and thirty minutes of instructional time. Members who have completed training as a requirement of membership in another association and members who have completed the New Member Code of Ethics Orientation during any two-year cycle shall not be required to complete additional ethics training until a new two-year cycle commences.

Failure to satisfy this shall be considered a violation of a membership duty for which membership shall be suspended until such time as the training is completed.

Failure to meet the requirement will result in suspension of membership for the first two months (January and February) of the year following the end of any two (2) year cycle or until the requirement is met, whichever occurs sooner. On March 1 of that year, the membership of a member who is still suspended as of that date will be automatically terminated. (Adopted 1/01, revised 5/05 and 10/08)
