VISION

Individual home ownership is a foundation of American democracy and promotes a strong economy, healthy communities, and a responsible citizenry. The Oregon Association of REALTORS® HOME Foundation (OAR HOME) sees affordable home ownership opportunities as a vital component in providing adequate, safe and decent housing to all of the citizens of Oregon.

MISSION

The Oregon Association of REALTORS® Home Foundation (OAR HOME) provides financial resources to individuals, groups or organizations that directly or indirectly create, expand, or encourage home ownership opportunities for Oregonians at or below local median income.

OAR HOME promotes awareness of affordable housing issues by educating Oregonians and their representatives about the barriers to affordable ownership and the resources needed to increase housing affordability. In addition, in extraordinary circumstances where a significant housing crisis may exist due to acts of disaster such as those caused by floods, fires, riots, storms, or similar large-scale events, the OAR HOME Foundation may provide financial assistance.

BRIEF HISTORY

Aware of the increasing need for affordable housing in the state of Oregon, a small group of concerned REALTORS® realized an opportunity to establish a housing program that would give REALTORS® a way to aid their communities with affordable housing issues. The Oregon Association of REALTORS® HOME Foundation (OAR HOME) was created in 2004. **OAR HOME** was created to provide financial assistance to people with severe housing needs.

The first Board of Directors was established in 2004 and created application forms, funding cycles, financial and affiliate institution relationships, refined a business plan, and bylaws and operating guidelines.

Initial emphasis was on educating the OAR membership on the program through articles in OAR publications and presentations at REALTOR® meetings. The goal and intent of OAR HOME is to increase broker participation in the program, so that more funds will be available for housing grants.

MANAGEMENT

The Board of Directors of OAR HOME shall consist of a minimum of nine voting Directors, but not more than fifteen voting Directors, including the President-elect of OAR, with a minimum of six but not to exceed twelve Directors-at-large. Members of the Board of Directors have the responsibility to promote and market the program, educate the REALTOR® community as well as industry affiliates, and oversee and establish financial distribution guidelines of the Foundation.

HOW THE PROGRAM WORKS

Real Estate Brokerages and Escrow companies with interest bearing trust accounts will be asked to contribute the earned interest to OAR HOME. Once the interest-bearing trust account has been opened, the broker must notify the Real Estate Agency, informing them of the establishment of their interest bearing real estate account.

The financial institution where the account is established sweeps the account on a regular basis, preferably monthly, and sends a check to OAR HOME.

The Executive Director and/or the Secretary/Treasurer of OAR HOME keeps track of contributions received from participating brokers and escrow companies of each local board/association. As the monies accumulate within each individual local board account, the Executive Director and/or Secretary/Treasurer will present the amounts to the OAR HOME Board of Directors who makes the determination of whether the balance is adequate for the local board to give a grant.

The HOME Foundation will engage in and support other groups' fundraising activities throughout the State to increase the amount of funds available for distribution to qualified grant applicants.

SETTING UP AN INTEREST-BEARING ACCOUNT

The reporting procedures have been set up in a similar manner to the attorneys' foundation (IOLTA), with which most financial institutions are familiar.

The name of the real estate broker's trust account remains the same, with the addition of OAR HOME (IBO) "interest beneficiary only", on the second line. The OAR HOME federal tax identification number, **84-1641552**, must be used on the account for interest reporting purposes. An example of how the account will read:

As Is Currently

The Cottage Realty
K Cook Brkr/Sales Trust Acct
P.O. Box 1020
Real Town, OR 97212
Cottage Tax ID#

Would Become:

OAR HOME (IBO) Cottage Realty
K Cook Brkr/Sales Trust Acct
P.O. Box 1020
Real Town, OR 97212
84-1641552 (OAR HOMEF tax #)

It is not necessary for the broker to have new checks printed, as OAR HOME is the beneficiary only of the interest on the account and has no other interest or authorization in regard to this account.

The financial institution will sweep interest earned on the broker's trust account and a check sent to:

OAR HOME (Oregon Association of REALTORS® HOME Foundation)
P.O. Box 351
Salem, OR 97308
