# YOUR BUSINESS ADVOCATE

OREGONREALTORS.ORG

## RISK MANAGEMENT

Oregon REALTORS® provides risk-management education, business tools and services to reduce risk, increase profitability and keep members abreast of current issues affecting the real estate industry. Oregon REALTORS® also works on the members' behalf with ethics education and Code enforcement to maintain and enhance REALTOR® professionalism.

## ADVOCACY

Our Government Affairs Committee helps form and recommend policies concerning legislative issues affecting the real estate industry and private property rights. In addition, they develop new and refine existing, programs and activities that bring members into direct contact with the legislative/regulatory process.

## EDUCATION

We strive to be the market leader in Oregon real estate education by providing the highest value business, legal, and legislative information for continuing education and professional development for Oregon REALTORS®. Continuing Education courses are defined as classes that meet the OREA standards for CE and thus can be used to fulfill your licensing requirements.

## ABOUT US

Oregon REALTORS® was established in 1932 to organize the real estate profession in Oregon. Today, we are the REALTORS® business advocate, a force for education and a legislative advocate for free enterprise and private property rights in Oregon. Our core purpose is to advance the ability of Oregon REALTORS® to practice the real estate profession in an ethical, profitable and successful manner.
