Before I took on my role as President of Oregon REALTORS®, I asked members and past presidents what they thought the biggest challenges for our association were.

Over and over, I heard the same three things mentioned:

1. The Oregon REALTORS® building is a financial challenge.
2. Our governance structure is too big, too convoluted, and too time-consuming.
3. Our RPAC culture needs improvement.

Those were the items I gave most of my time and focus, and I believe these efforts paid off. Through financial prudence and money saved during COVID, we were able to pay off the building, taking a huge financial weight off the organization's shoulders and turning the building into a revenue generator for years to come for our members.

I also appointed the Governance PAG to look into ways to right-size and add efficiency to all of our governance programs, to save member dollars, and allow quicker and more prompt decision making in a digital world.

Lastly, for the first time in our association's history, we achieved TRIPLE CROWN status as a state association in 2021!
This means that we hit or surpassed participation goals, Major Investor goals, and President’s Circle goals as set by NAR. That’s pretty incredible.

While three long-term challenges may have seemed like a lot to take on, I’m very proud of our leadership and Executive Committee for achieving so much in such little time.

This is an organization that means so much to me, and I hope I leave a better place for future generations of REALTORS® than when I found it.

--Drew Coleman
THE BEST OF 2021

In spite of the ongoing world pandemic, 2021 proved to be an exceptional year for the Oregon REALTORS® with continued development and delivery of programs and services to help our members flourish. Regardless of the chaos in the world, the staff and volunteers worked tirelessly in the Capitol supporting the first-of-its-kind legislation banning buyer “love letters” to ensure a level playing field so everyone has a chance to achieve the American Dream; defeating the attempt at eliminating the Mortgage Interest Deduction, and requiring all real estate licensees complete increased education focused on Fair Housing. Keeping the members at the forefront will always be our top priority. I am honored to share just a few of the many successful achievements accomplished in 2021.

- Sold out the first annual Empowering Women’s Conference, hosting more than 160 members and affiliates from around the state.
- Awarded $80,000 in HOME Foundation grants to organizations committed to affordable housing.
- Hosted first hybrid fall convention in Sunriver with 150 members attending in person and another 120 participating virtually.
- For the second year in a row, Oregon REALTORS® was the victor in the Large Association category for the NAR C2EX Challenge.
- Established the Safety Committee, providing courses and other safety resources, such as the Safe Showings app provided as a member benefit.
- Increased the number of brokerages participating in the Association Health Plan.
- Updated the Strategic Plan to prioritize inclusion and diversity within the membership; focusing on increased participation, awareness, and mentorship.
- Paid off the Oregon REALTORS® Plaza.
- Received over $550,000 in grants from NAR for Issues Mobilization campaigns, RPAC fundraising events, and education offerings.
- Awarded first Good Neighbor Award to member Bill Irving, who is working towards making his community a better place.
- Graduated 16 incredible members from the Oregon Leadership Academy. Received almost 50 applications to participate in the 2022 academy.

There are so many additional items of note, however, for the sake of brevity, I’ll stop here! Please enjoy the 2021 Year in Review, which showcases all of the above and more. I hope you will be as proud of your association as I am to work on your behalf. The Oregon REALTORS® staff is a bright, driven, and innovative team, always seeking out the next program and service that will help make you the best in the business. Thank you for being part of such an amazing industry full of opportunity.

Cheers to 2022!

The goal of the REALTOR® Safety Program is to reduce the number of safety incidents that occur in the industry, so every REALTOR® comes home safely to his or her family every night. We will accomplish this goal together with our members by improving the safety culture in the industry: Talk about safety; create a safety plan and follow it, and encourage your fellow REALTORS® to do the same.

The safety page at Oregon REALTORS.org includes links to local and national safety resources for personal safety, office safety, and even online safety. There are also helpful resources including downloads, forms and webinars available to members at no cost.

In August, Oregon REALTORS® entered into a partnership with SafeShowings to provide this remarkable safety app to every member, free of charge.

The SafeShowings app allows users to capture a secure image of the client’s face, create an emergency contact list, and give a seller security. It also allows you to create a personalized list of contacts. You will be able to mark yourself safe or send your contacts an alert if you are not heard from within an amount of time that you choose.

Almost 200 Oregon REALTORS® members have downloaded and are using the SafeShowings app already!
This year, Diversity became a key committee with two-year appointments starting in 2023. This allows the committee to have a budget to fund initiatives and a presence at Executive Committee meetings. It also means Fair Housing and Implicit Bias training is now a requirement for all committee chairs. Our new Fair Housing Minute video series launches February 2022.

As members of the Oregon REALTORS® Diversity Key Committee, we are active & focused on meeting the needs of the members by providing education, information, and advocacy while seeking to increase fair treatment, equitable opportunities to information and resources, and by helping to build an industry culture of belonging, contribution, and participation.

The Homebuyer Resource Page was launched June 3, 2021, to support first-time homebuyer clients and on their path to helping people achieve homeownership. The Homebuyer Resource Page offers prospective buyers information on pre-purchase counseling, down payment matching and assistance programs, education on the home buying process, and a search tool to find REALTORS® who speak their language or have relevant designations or certifications.

Since launching:
- 1,474 views
- Down payment assistance page: 1,341 views
- Find a REALTOR® page: 553 views
- Homebuyer assistance by County: 377 views
- Total: 3,745 views
- Addition of the “Include” Strategic Priority
WHAT IS YOUR VISION FOR 2022?
This will be a year in which we see the full implementation of the Diversity Committee that the Board of Directors approved as a Key Committee at the 2021 Fall Governance meetings. I envision that all leadership within Oregon REALTORS® will be more focused on Diversity, Equity, and Inclusion and that we will have better training resources for our leadership and all members of our Association. Everyone deserves the opportunity to own a home, to be a REALTOR®, and to serve in our Association – no matter who you are or who you love. I am excited to see the positive impact of this committee.

I think 2022 will also be a year in which we complete our evaluation of our current governance structure and make recommendations to our Board of Directors. Can you believe that it has been over 40 years since Oregon REALTORS® has completed a comprehensive evaluation of our leadership structure? With the passage of Governance Restructure at the National level, this is an opportune time for Oregon to look at our structure and evaluate if there are changes that can help to make us more nimble, innovative, and ultimately better for our membership.

There are many more things that your Association will be doing in 2022, but these are the highlights of my vision for our organization.

WHAT IS THE MOST IMPORTANT THING YOU HOPE TO ACCOMPLISH?
All of the topics listed above are incredibly important ~ and there are so many other things that happen on a daily basis at the Association that are incredibly important. I hope to accomplish all of the things listed above and to maintain a positive culture in our Association and in our market throughout Oregon. To pick one as the MOST important is tough, but I do feel that if we are successful in evaluating and implementing a Governance restructure, we will be a much more relevant organization.

"If you want to have an active role in how your industry works, then you have an obligation to get involved."
for years to come. This would be a crowning achievement at every level of leadership in our Association and something that every Board Member, Committee Member, and volunteer at every level could be proud to participate in.

WHAT WAS THE REASON YOU GOT INTO VOLUNTEER LEADERSHIP?
My first Principal Broker, Carolyn Green, had a heart for leadership. She was an example to everyone in our office on the importance of being involved and giving back to your industry through service. I will always admire Carolyn for her guidance and example. I have always felt strongly that if you want to have an active role in how your industry works, then you have an obligation to get involved. If you aren’t happy with a policy that your MLS has, then you should be at the table so that you can debate the issue and propose a positive change. Your voice matters, but if you don’t step up to lead, nobody will ever hear it.

WHAT’S THE BIGGEST ISSUE FACING Oregon REALTORS® IN 2022?
As an Association, I think our largest issue will be on the advocacy front. We will continue to address issues related to personal property rights, taxation, and regulations that affect the real estate industry. We will also be continuing to work our way through the Department of Justice lawsuit against NAR and I anticipate that we will continue to see changes in our industry as a result of any settlement or action. Agents should become familiar with Buyer Service Agreements and how they can implement them into their business practice.

ADVOCACY MINUTE

We wanted to get members more involved in what the Association was doing at the Capitol, who our organization worked with to accomplish GA goals, and what those goals were. So we created a short, focused, weekly video series to discuss what was going on during session. This increased visibility for our work with legislators, our president, and the video series is a top performer on our YouTube channel.

REALTOR® DAY

This year, REALTOR® Day was all-virtual and packed with opportunities! Attendees heard about legislative issues critical to REALTORS® and met virtually with a select number of legislators. The Legislative Priorities for REALTOR® Day were Defend Homeownership, Encourage Development, Protect Property Rights, and Uphold Fair Housing. The focus was on Preserving Oregon’s mortgage interest deduction, commonsense land use updates, encouraging new middle housing in cities, and passing tax credits for rent forgiveness.
TRIPLE CROWN WINNERS

Due to the diligence and efforts of our PAC Trustees and leadership, Oregon REALTORS® qualified for and will receive NAR’s Triple Crown Award for the first time in association history. This award recognizes Associations that have met all of their NAR RPAC goals. This is the first time Oregon REALTORS® will have received this award. Special thanks to Past President, Drew Coleman; ORPAC Trustees Chair, Beth Caster; and NAR Participation Council member, Jill Russel for their efforts in making this accomplishment possible.

LEGISLATIVE RECAP

While the pandemic originally brought legislators together in a bipartisan fashion during several special sessions, partisanship certainly played a prominent role as the 2021 session progressed. We saw not only two Republican Senators form an Independent caucus midway through session, but also the official expulsion of a member of the House of Representatives for the first time in history and the resignation of another when faced with expulsion. By mid-May it had become clear that Oregon would emerge from the pandemic with an enormous surge of economic growth and significant federal investment resulting in a $2.8 billion budget surplus, $1 billion more than was forecast at the beginning of the session. As for leadership priorities, the Governor and Democratic leaders entered the 2021 session with a bold agenda focused on the following:

1. Supporting Oregonians hardest hit by the COVID-19 pandemic
2. Recovery from the 2020 wildfires
3. Equity and social justice
4. Police reforms
5. Climate change and decarbonization
6. Behavioral healthcare system improvement

Oregon REALTORS® tracked all of these issues closely but focused its lobbying efforts on those most directly related to the Association’s 2021-2022 Legislative Policies adopted by the Board of Directors. Additionally, Oregon REALTORS® focused on four key priorities this session: defending homeownership, encouraging housing development, protecting property rights, and upholding and expanding fair housing principles.

SPECIAL SESSIONS

Following Oregon’s regular long legislative session, the state hosted two more special sessions: one to address redistricting and the other to continue the moratorium on evictions due to COVID-19.

Redistricting

The Oregon Legislature held a special session on redistricting in late September. The Senate passed the maps for Congressional and state legislative districts on party-line votes. A newly formed committee amended the Congressional map. The maps passed the House with bipartisan opposition and a tense floor debate. The Congressional map is likely to result in a 5-1 advantage for Democrats, with current members of Congress placed in even stronger seats than they currently hold. Partisanship may be a non-issue in future redistricting efforts, as several groups have revived a ballot measure that would create an independent redistricting commission for both state and federal map drawing.

Second Special Session

Senate Bill 891 extended the safe harbor period for non-payment of rent to June 30, 2022 for tenants who have a pending applications for emergency rental assistance and have provided documentation of their application to their landlord. It also allowed landlords to deliver termination notices if their tenant’s application is no longer pending or on or after October 1, 2022, whichever is earlier. Further, landlords who delayed termination notices or eviction proceedings could apply for compensation for the non-payments accrued during the time of tenant protection. Low-income tenants served with an eviction summons also had to be provided with legal defense information.

Several agencies received increased funding to support the actions described in Senate Bill 891 due to the passing of Senate Bill 5561, including:

- $100 million for payments to the Oregon Emergency Rental Assistance Program
- $5 million to OERAP for distribution and administrative expenses
- $100 million to local Emergency Rental Assistance programs
- $10 million for the Landlord Guarantee Program

The second annual Oregon Housing Economic Summit took place January 14, 2021 and gathered housing industry leaders together for the first time virtually to hear about the many factors that would ultimately affect housing supply, availability, and price locally in 2021. It featured nationally recognized NAR economist Lawrence Yun, as well as other well-known experts and legislators in the areas of housing, regulation, and economics.

Panelists included: Alma Flores, REACH Community Development Corporation; Deborah Flagan, Hayden Homes; Freddy Saxton, Advantage Real Estate; Rep. Jack Zika, House District 53; Josh Lehner, Oregon Office of Economic Analysis; Rep. Julie Fahey, House District 14; Ken Trautman, People's Bank of Commerce Medford; Lorelei Juntunen, ECONorthwest; and Margaret Salazar, Oregon Housing and Community Services.
If 2020 was a year of firsts on the risk-management front as Oregon REALTORS® members managed pandemic showing and office protocols and a relentless wave of new—and supposedly temporary—eviction laws, 2021 was the year of the “new normal.” What many thought would be temporary changes became standard operating procedures in 2021 as Emergency Orders and eviction moratoria extended well beyond their anticipated end dates.

**PRINCIPAL BROKER FORUM**

After a hiatus during 2020, Oregon REALTORS® brought back Principal Broker Forum in a virtual format. While we were originally concerned about whether the event would work well on Zoom, it surpassed our expectations. The Spring Principal Broker Forum included 184 participants, and the Fall Forum drew 249 (the in-person version of the event typically drew 100 participants). Principal brokers from around the state helped each other navigate challenging situations related to multiple offer situations, the eviction moratoria, mask and vaccine mandates, appraisal backlogs, and many other issues.

**INDUSTRY FORUM**

In June 2021, industry leaders from real estate, mortgage lending, appraisal, title and escrow, property management, and home inspection met to hash out challenges facing the industry including strategies to appraisal backlogs and navigate the foreclosure moratorium.

**LEGAL ACTION**

In May of 2021, the Oregon Supreme Court heard oral arguments in Owen et al. v. City of Portland. Oregon REALTORS® had been working on this case since 2017. The case challenged the City of Portland ordinance that requires residential landlords to pay steep fees to a tenant for certain rent increases and no-cause terminations. Oregon REALTORS® argued at both the Oregon Court of Appeals and the Oregon Supreme Court as amicus curiae that the ordinance is preempted by the state law prohibiting local governments from enacting ordinances that control that rent that can be charged. In November 2021 the Oregon Supreme Court came down with its opinion and unfortunately the court sided with the City of Portland in upholding the ordinance.

This year, PSA was our top designation at 98 attendees. GOVERNANCE 2021

SPRING GOVERNANCE
APRIL 5-7, 2021

The 2021 Spring Governance meetings were conducted virtually. Committee meetings and the Board of Directors meeting were well attended, with 110 directors logged on to the meeting. The Board of Directors approved the annual audit and elected the 2022 President-Elect, Grace Bergen. NAR President Charlie Oppler and Region 12 Vice President Tiffanie Mai-Ganske addressed the Directors, providing national association and regional updates.

FALL GOVERNANCE
SEPTEMBER 20-22, 2021

Oregon REALTORS® was proud to offer the fall governance meetings in a hybrid format with in-person gatherings at Sunriver Resort. Attendance was high, including 96 directors at the Board of Directors meeting, and 296 participants at the virtual Principal Broker forum. The Board of Directors approved the 2022 Budget, elected NAR Directors Colin Mullane and Michael Warren II, and approved bylaws and policy revisions that included making the Diversity Committee a Key Committee. The 2021 NAR President-Elect, Leslie Rouda-Smith, provided an NAR report.
The 2021 Fall Convention was the first-ever hybrid convention. We kicked off Fall Convention with a 2.5 hour, free Principal Broker forum with 140 attendees.

There were 19 presenters over the course of the entire convention. Keynote Speaker Greg Bell kicked off the event with a deeply insightful and inspirational keynote address, Watering the Bamboo, with steps to unleash our potential for growth and value-based living. Patrick Stone, as always, provided his exceptional analysis of the current market trends and economy. Bryan Flannery brought us an empowering lesson on personal safety. Friday was entirely virtual with three CE tracks: Diversity and Fair Housing, Commercial, or Risk Management.

The ticketed portion of Fall Convention kicked off with a networking social. It was outside, overlooking the Deschutes River and Mount Bachelor – it was sunny and lovely, with great music, great food, great drinks, and fun company!

We were able to hold an in-person celebration to install our 2022 Oregon REALTORS® President, Jeff Wiren, at Fall Convention this year.

The membership was able to celebrate John Hoops from Eugene REALTORS® as the 2021 Distinguished Service Award recipient. John has been a REALTOR® for 26 years and is an active member of the Eugene Association of REALTORS® and was named their named REALTOR® of the Year in 2009, John also served as the Oregon REALTORS® president in 2012, and was named Oregon REALTORS® REALTOR® of the Year in 2014.

The HOME Foundation Dessert auction raised over $27,000 to further encourage homeownership for Oregonians at or below the median income.

Despite having a completely new format this year with the hybrid model, this year’s Fall Convention maintained its satisfaction rate. With all of the attendees, this year’s Fall Convention had 758 Hours of CE awarded.
